THE FORUM | CONFERENCE & EVENT VENUE AT COLUMBIA UNIVERSITY

The Forum, the gateway to Columbia’s Manhattanville campus, hosts academic conferences, meetings, symposia, and cultural events, providing an important new space where scholars and thought leaders from diverse fields can come together to share ideas, and where Columbia and the local community can engage with New York City and the world.

Located at the intersection of 125th Street and Broadway, The Forum’s ground floor Atrium contains common tables and flexible spaces with free WiFi for studying and meetings, and is open to the public seven days a week from 8:00 a.m. to 8:00 p.m. Throughout the year, The Forum hosts public programs in the Atrium. The Forum is closed on University-designated holidays.

The Forum rental spaces include a conference auditorium, with an adjoining foyer, and four meeting rooms that range in size. All spaces are accessible and, with the exception of the Foyer, include state-of-the-art technology.

The Forum abides by the Columbia Essential Policies developed for University events. Event sponsors are also expected to be familiar with and abide by The Forum Policies.

1. **The Forum rental rates are inclusive** of standard event support, furnishings, and audiovisual services. Extra personnel and services are available at an additional cost.

2. With the exception of Room 317, a preset conference room, **room occupancy** is based on theatre-style set up. If conference or catering tables are set up in the meeting rooms, the seating capacity will be less.

3. **Minimum bookings.** All meeting rooms, with the exception of the Auditorium, have a two-hour minimum. The Auditorium (and Auditorium-Foyer combination) has a three-hour minimum. Bookings beyond the two-hour minimum are in 30-minute increments. If a room is booked for four to seven hours, all hours for that room are discounted by 12.5%. If a room is booked for eight or more hours, all hours for that room are discounted by 25%.

4. **Rental time** is calculated beginning with the opening of the registration desk for the event or the use of the event space by event sponsor or event guests (for rehearsal or sound-check), whichever comes first. If the event exceeds its scheduled time, additional charges will apply.

5. **The Green Room**, which is included with the Auditorium, can be reserved for special usage when a small room is needed for interviews, photoshoots, or podcasts (The Forum has a podcast setup available for use). Rental is $175 per hour.

6. **A reservation is confirmed** once a signed agreement and deposit have been received. A non-refundable deposit of $5,000 or 50% of the initial estimate, whichever is less, is due at the signing and submission of this agreement.

7. **Cancellations** made by the event sponsor more than 90 days prior to the event will result in a charge equal to the deposit. A 50% cancellation fee of the total remaining event cost will apply for cancellations between 31-90 days prior to the event. A 100% cancellation fee of the total remaining event cost will apply for cancellations within 30 days prior to the event; this includes events booked less than 30 days in advance of the event.

8. **Use of the Atrium** (The Forum ground floor). The ground floor Atrium of The Forum is open to the public seven days a week, with the exception of University-designated holidays. Because of our commitment to keeping the ground floor available to our community and for community programming, use of the Atrium for private events is restricted and infrequent. Normally, there is a four-hour maximum on usage of the space for private events, with a preference to keep the east side of the Atrium open to the public, while Atrium west is used for a private event. The charge is $1850 per hour for each side (Atrium east or Atrium west). Atrium rentals are not eligible for the hourly discounted rates. The Forum has a portable sound system, podium, and monitor that may be requested for events in the Atrium. To inquire about using the Atrium for a private event, email theforum@columbia.edu.

THE FORUM | ADDITIONAL SERVICES & ASSOCIATED COSTS

The Forum rental rates are inclusive of standard event support, furnishings, and audiovisual services. Extra services as outlined below are available at an additional cost to the Event Sponsor. These additional fees are not included in the standard discounted rental rates.

Catering Fee
The Forum has a $250 per day catering fee for events over 30 people and/or which require use of The Forum building pantry or Room 209 (staging and coffee urn area).

Coat Check
Facilitated coat check is provided by University Facilities by prior arrangement at a fixed rate, based on one coat checker per 100 guests in fall and winter, and one coat checker per 150 guests in spring and summer. There is a four-hour minimum and coat checkers must be present one hour prior to event and one hour after event.

Custodial and Facilities Services
Rental fees include basic custodial services. Additional charges may apply if special setups are requested or significant cleaning is required after an event.

Furniture Rentals
Rental of furniture not included in The Forum inventory will be arranged and paid for by the client, and must be approved by The Forum staff. Ace Party & Tent Rental is the preferred University vendor for event rentals. Delivery of all rentals must be coordinated with The Forum staff and Facilities.

Public Safety
The presence of three Public Safety staff in the building is included in the standard rental cost. Additional Public Safety officers may be required if one or more of the following apply:

- the event starts before or after building hours (8:00 a.m.–8:00 p.m.)
- undergraduates are attending and alcohol is being served
- the number of people attending or the nature of the event warrants additional Public Safety

Determination of the need for additional Public Safety officers is made in consultation with Public Safety and The Forum’s Director of Events and Director of Operations, and will be communicated to the event sponsor along with the additional costs to be incurred.

Storage
The Forum has limited capacity for temporary storage of conference materials and equipment. Requests for storage must be made at least two weeks before the event and are subject to space availability. Arrangements for shipping items to The Forum must follow Forum shipping, receiving, and storage protocols, which will be provided along with an associated fees schedule upon request.

Technical Services
Lecture-capture: The Forum can provide a basic lecture-capture of an event in the Auditorium; if this recording is mission-critical, an additional AV technician may be required at an added cost. Our AV staff will discuss the options with you and outline any
additional estimated costs.

*Live-streaming:* The Forum is capable of supporting live-streaming (aka webcasting) for events. Depending on the live-stream format desired by the client, an additional technician or specialized team may be required. The Forum staff will review with you your event needs and options, discuss with you any additional costs, and, if needed, refer you to a Forum-authorized vendor for specialized webcasting.

*Additional AV services:* If your event would be best served by additional AV services and personnel beyond The Forum’s standard support, you will be directed to a Forum-authorized vendor to provide an estimate for these additional services. All outside AV vendors and equipment must be approved by the Associate Director for Production and Technology.

**Ushers and Registration Desk Staff**
For events in the Auditorium requiring more than four Audience Services Associates (ushers), as determined in consultation with The Forum Director of Events, an additional fee of $25 per hour/per ASA will be charged. There is a four-hour minimum for additional Audience Services Associates (ASAs). ASAs may also be hired to staff guest check-in and other event support services, in consultation with the Director of Events.
