## **Auditorium**

- The Auditorium, the Forum's most spectacular feature, has a capacity of 438, including space for 5 wheelchairs. The main entry to the Auditorium is on the 2<sup>nd</sup> floor, with additional entries on the 3<sup>rd</sup> floor.
- There is a 4-hour minimum to rent the Auditorium, which includes use of the Green Room. The Green Room includes a private restroom, closet, and seating for up to four people, and is stocked with various amenities for speakers.
- Food and drink are not allowed in the Auditorium, with the exception of water in covered containers.
- The Auditorium has fixed seating and is designed for lectures, presentations, and conference usage, including informal movie playback and simple theatrical and live music events.
- While most Auditorium events are general admission, with seating filled on a first-come, first-served basis, all rows and seats are numbered, allowing for assigned or ticketed seating options as well.
- The Auditorium AV options include:
  - projector and screen
  - podium with mic
  - presentation computer
  - open wifi internet access

  - limited video-conferencing
  - up to three AV technical support staff
- On the external periphery of the Auditorium, there are three wall-mounted monitors that can be used for event-related announcements as well as a live-feed from the Auditorium.

## **Foyer**

- The Foyer, located on the 2<sup>nd</sup> floor of The Forum adjacent to the Auditorium, has a 4-hour minimum for rental. This space can be used for receptions, breaks, and special events for up to 175 people.
- The Foyer has a wall-mounted digital monitor for event-related signage.

- A selection of room setup options for the Foyer, drawing on The Forum's in-house furniture stock, is available. In consultation with Forum staff, event sponsors can arrange for rentals of additional furniture to suit the needs of their event.
- The Foyer has limited built-in AV; however, with advance consultation with The Forum production staff, arrangements can be made for a podium with microphone, a speaker system, and a large monitor.

### **Green Room**

- Located in the hallway adjacent to the Auditorium, the Green Room includes mirrors, a private restroom, closet, fabric steamer, lozenges, a monitor with live camera feed from the Auditorium, and seating for four people.
- The Green Room is also available as a standalone rental space for photo shoots, podcasting and select other activities. Contact The Forum staff for more information.

### **West Atrium**

- The West Atrium located on the ground level is a flexible event space, can be used for receptions, breaks, lectures, and special events. We have a selection of room setup options. In consultation with LCB Forum staff, event sponsors can arrange for AV for the as well as the rental of additional furniture to suit the needs of the event.
